POINT CALCULATION PARAMETERS

Hole by Hole Scores will be entered.

Event scores and handicaps will be posted each week in the club house and online at www.sterlingcountryclub.com

Half points will be awarded for ties.

- 1 Point per hole - Team Net vs. Team Net (9 Points)
- 2 Point per match - Individual Low Net
- 1 Point for each team you beat - Team Net vs. Team Net (Blind Match against your night's league. Points will vary. Maximum is Number of Teams – 1. Example... American League has 14 teams. There will be a possibility of scoring an additional 13 points per night.)

TEAM RULES

No points will be awarded for teams whose Country Club or Men's League dues are not current.

Please turn in only one card. One member from each team must sign the card and place in the ML box inside club house.

Do not figure points or net scores on the card you turn in.

Subs - No team shall play with only one individual and no team shall play with more than one sub. Sub cannot come from the same League Night. (Example... An American League player cannot sub for an American League Match.) Also, sub cannot substitute for more than one team for each league during a week of play (Example... A sub cannot be a substitute for two National League matches during the same week of play.)

Matches may not be played more than one week prior to the original scheduled date.

Matches may not be played after the scheduled date unless there is inclement weather

Unless prior arrangements have been made, teams will forfeit if not present by 5:45pm the night of the match and will NOT receive any points. The team that shows up must play. Your card will be scored against that night's league average and the blind matches.

If Bye Round matches are scheduled, scores will not be counted and the team with the bye does not have to play.

Score Cards will be available on the night the match is scheduled. If you play before then, use a regular score card and only enter the gross score!

The Playoff Format will be announced prior to playoffs.

Subs will NOT be allowed during playoff matches.

Standard USGA rules apply to all matches. Please keep carts out of roped off areas and rough!
