

League Registration

(Registration Due by Monday April 26th)

Golfers:

It's that time of year again!! Men's League is right around the corner. We will have a fun night this year that will be on April 27th. There will most likely not be a meal this night, and we will play the next few weeks by ear as to whether we start up the meals throughout the summer. Forms are due on the 26th of April. We will start official league play on May 4th and 5th. We will again be using the app to keep track of scores and results. It worked great last year. Because we are using an app that does cost money to support, we will be adding \$5 to this years men's league fee to cover the cost. It will now be \$40 for league play.

Men's league will be split in two divisions. American League will play on Tuesday night; and the National league will play on Wednesday night. To register for men's league you must be a member, and in good standing with Sterling Country Club. A member in good standing means that you have paid at least the first half of a membership before the start of league play. If you have not, your team will be removed from the league. Golfers who played last season will start off this year with last season's final handicap. New players will need to complete 3 nine hole scores (one of them being played from the blues), and have them turned in by May 4th.

League entry fee is \$40 per person (\$80 per team). Please detach and fill out form below.
