

# League Registration

(Registration Due by Monday April 25th)

Golfers:

It's that time of year again!! Men's League is right around the corner. We will have a fun night this year that will be on Tuesday, April 26<sup>th</sup>. There will be a meal on fun night. Forms are due on the **25<sup>th</sup> of April**. We will start official league play on May 3<sup>rd</sup> and 4<sup>th</sup>. We will again be using the app to keep track of scores and results.

Men's league will be split in two divisions. American League will play on Tuesday night; and the National league will play on Wednesday night. To register for men's league you must be a member, and in good standing with Sterling Country Club. A member in good standing means that you have paid at least the first half of a membership before the start of league play. If you have not, your team will be removed from the league. Golfers who played last season will start off this year with last season's final handicap. New players will need to complete 3 nine-hole scores (one of them being played from the blues), and have them turned in by May 2<sup>nd</sup> to Kevin Laudermilk.

**League entry fee is \$40 per person (\$80 per team).** Please detach and fill out form below.
